Dear Readers, It's hard to believe how much our lives have changed since we first began our publishing careers. Some of you may have discovered us with our New Adult novels, *Fallen Too Far*, *Slammed*, and *Beautiful Disaster*, but our journeys started long before then. For Abbi, it began with her lifelong love of romance novels, an unforgettable Christmas present from her husband, and the inspiration she drew from the Gulf Coast. For Colleen, it began with her childhood imagination, an Avett Brothers lyric, and a desire to write the kinds of books she wanted to read. For Jamie, it began with a three-ring binder that became the first of twenty-one journals, a bestselling young adult series, and the support of her former high school librarian. For those who have read and loved our novels, we offer you a glimpse into our lives and careers—both then and now—with photos and videos and a behind-the-scenes look at our 2014 Fall in Love tour. And you'll also get a sneak peek at what's coming up from us next. Thank you so much for your support. We wouldn't be here without you. Abbi Glines, Colleen Hoover, and Jamie McGuire This ethnographic drama script is adapted from observations conducted in a large city centre library in the UK. The action focuses on the staff room in the library, where the fictionalised characters of four customer experience assistants, threatened with redundancy, take their lunch and tea breaks. The ethnographic drama is a creative curation of field notes, transcripts, audio recordings, video recordings, conversations and observations. It tells a story of political tension in everyday life at a time of austerity. From the co-creator and co-star of the hit series *Broad City*, a hilarious and poignant collection about love, loss, work, comedy and figuring out who you really are when you thought you already knew. When Abbi Jacobson announced to friends and acquaintances that she planned to drive across the country alone, she was met with lots of questions and opinions: Why wasn't she going with friends? Wouldn't it be incredibly lonely? The North route is better! Was it safe for a woman? The Southern route is the way to go! You should bring mace! And a common one . . . why? But Abbi had always found comfort in solitude, and needed space to step back and hit the reset button. As she spent time in each city and town on her way to Los Angeles, she mulled over the big questions - What do I really want? What is the worst possible scenario in which I could run into my ex? How has the decision to wear my shirts tucked in been pivotal in my adulthood? In this collection of anecdotes, observations and reflections - all told in the sharp, wildly funny and relatable voice that has endeared Abbi to critics and fans alike - readers will feel like they're in the passenger seat on a fun and, ultimately, inspiring journey. The fifth book in the #1 New York Times bestselling *Field Party* series—a southern soap opera with football, cute boys, and pick-up trucks—from USA TODAY bestselling author Abbi Glines. Ryker Lee is finally enjoying his senior year—he has great friends, hangs out with hot girls, and is on track to get a football scholarship that will set him up for college. Despite this, a small part of him wonders if there's more to life than parties and meaningless hookups—and if football even means as much to him as it does to his fellow teammates. And when he meets the new girl at school, his world totally changes... Aurora McClay is new to Lawton. She's grateful that her twin brother, Hunter, is star of the football team and can help her adjust to her new school, but she's not grateful at how overprotective he is over every person she meets. Just because she is deaf does not mean people have to treat her differently. When she meets Ryker Lee, the two of them spark an instant and intense chemistry, one that proves to be controversial not only because of Ryker's reputation as a player, but also because of Aurora and Hunter's father's bigoted views about who Aurora can and can't date. Aurora and Ryker know in their hearts that they are meant for each other. But can their relationship endure the turmoil of rumors and prejudice? When Blaire moves to Rosemary Beach, Florida, to live with her father, she finds he and his new wife have gone to Paris and her stepbrother Rush has been left behind to watch her. Taking a summer job to salvage the scholarship that was threatened by a DUI charge, Cage clashes with the farm manager's daughter before discovering the reasons behind her anger, forcing him to make a careful choice.
